## ABOUT

I am a 24 year old composer from Holland, currently based in London. Besides the composing of photoreal imagery, I have also acted as TD, writing pipeline and Nuke related tools. Eager to collaborate with talented and motivated people, I am always looking for new challenges and chances to grow.

## SKILLS

### Proficient with

- Nuke
- Python
- Photoshop
- After Effects

### Knowledge of

- Silhouette
- Mari
- Maya
- Resolve

## EXPERIENCE

### Composer at MPC ( May 2018 - May 2019)

I worked as a composer on The Lion King for 12 months working full cg characters and environments.

### Jr Composer at Cinesite ( Jan 2018 - May 2018)

I worked as a Jr composer on Adrift and Avengers: Infinity War
